## Evaluation of Technical Proposals:

### 1. Background

Ravi Urban Development Authority has been constituted as a long term residential commercial and environmental project aimed at the development of the world's longest riverfront (46Km) on the river Ravi in the city of Lahore. RUDA aims at the fundamental tasks to curtail environmental historical cultural elements of Lahore that have long been neglected. In addition to the provision of ideal, affordable living units to the people of Lahore, the project is targeted at the elimination of pollution through solid and wastewater treatment, prevention of floods through barrages and retaining walls, replenishing of River Ravi, boosting of investments from overseas investors and generation of revenue through the tourism and hospitality industry. Ravi city will contribute significantly to uplift the face of Pakistan.

Ravi Urban Development Authority, (RUDA), (hereinafter referred to as "the Procuring agency") invited tender documents (hereinafter referred to as "the Tenders") for Procurement of audio-visual system.

### 2. Major Tasks within the Scope of Services:

The proposals received from the prospective bidders will be evaluated by the committee, and the contract will be awarded to the lowest bidder. Details of the items are specified in the tender document. The requirements are as follows:

1. Provide complete system mentioned in scope
2. Complete installation of all equipment's.
3. Integration of audio, video and network systems
4. Testing and commissioning of system performance

**Table 1: Name of Companies who submitted Technical and Financial Proposals**

Sr. No	Name of Company	Date of Submission
1	NASCO traders	May 18, 2026
